Our Three -Year -Old Kindergarten Program

The Saint Charles Little Saints programs will touch the heart, mind and spirit of your child. We believe that we are responsible for helping each child grow to become

a lifelong learner. While nurturing the spiritual, intellectual, emotional, physical and social development of the student in our care, we are called to foster each child's dignity, uniqueness and self-worth as we center learning on Catholic faith and virtues.

Admission Eligibility

- Children entering the 3-year-old class must be three on or before September 1. (Early admission at principal discretion with birthdates between September 1 and October 1.)
- Students must independently care for basic hygiene needs.

Health & Safety

Your Child:

- Follows safety rules
- Independently washes hands when needed
- Develops independent dressing skills
- Independently takes care of bathroom needs

Personal & Emotional Development

Your child:

- Develops a sense of personal space
- Expresses interests and self-direction in learning
- Begins to show self-control by following school and classroom rules
- Begins to be responsible for individual behavior and actions
- Enjoys school
- Willingly tries to solve problems
- Seeks adult help when needed
- Accepts change when explained by an adult
- Handles situations in an age-appropriate manner

Social Development

Your child:

- Begins to share, takes turns, participates and cooperates with others in group activities
- Respects other people's space and personal belongings
- Begins to develop friendships with others
- Begins to express thoughts, feelings, and ideas through language as well as through gestures and actions.

Gross-Motor Development

Your child:

- Begins to throw or kick an object in a particular direction
- Begins to play catch with a bean bag or large ball
- Bounces a large ball and catches it
- Begins to coordinate arms and legs—hopping, skipping, swinging, stretching

Fine-Motor Development

Your child:

- Begins to develop fine motor control in picking up objects—weaving, touching small objects
- Begins to practice self-help skills—zipping, buttoning
- Begins to hold writing tools with fingers instead of with a fist
- Begins to manipulate play objects that have fine parts
- Begins to use scissors
