**PRINCIPAL'S DESK...**

**Snack, Treats and Drinks – Remember Allergies**

When you supply a treat for your child to share with others here at school, we need you to remember some of our students have severe allergies. The older students know what they are allowed to eat, but our younger students are not always sure of their restrictions.

To help all of our students, we are asking everyone who would like to send in snacks, treats or drinks to school, please remember to include the packaging label (ingredients) of the item(s) you are supplying.

This is extremely important for the safety of all our students.

Thank you for your help and understanding.

## WTMJ 4 Weather Plus

Did you see our school on the channel 4 news?

We were on the 10:00p.m. newscast on Tuesday, April 21 and again on the April 22 newscast at 4:30 and 5:30p.m

Great job kids, you represented yourselves and St. Charles very well.

You were very polite, respectful and had some really good questions for John Malan.

Weather is something we have to deal with everyday and so it was great to get the inside scoop from a professional meteorologist.

We would like to thank everyone who participated in the assembly and for all your generosity. It was a fun way to learn about the weather in our area.

## 3<sup>rd</sup> and 4<sup>th</sup> Grade Lenten Project

Our collection for the Humane Society went great. We had over 6 boxes of items to donate.

Thanks to everyone who donated items or gave a monetary donation.

It was quite a success.
