One sentence sermon: We don't change the message; the message changes us.

PRINCIPAL'S DESK...

We as a community are very proud to be part of St. Charles. Being part of a wonderful community requires all of us to participate in our school programs. Volunteering is a major part of school. We need everyone to help in any capacity they are willing to do. No matter how small the task your abilities make a difference. When you help in the classroom, serve students lunch, participate in school fundraiser, work with a committee, run a festival, or help the kids with sports events you make things happen here at St. Charles.

We know it is hard to make time for all the many events we have here at St. Charles but we ask that you help in any capacity you can do. Your time, skills and abilities are truly appreciated. We can't thank you enough for all that you do. Everything you do helps the students of St. Charles achieve goals and they are able participate in everything we offer.

Thank you for all the volunteering you do. We look forward to seeing you during the school year.

SPANISH TEACHER.... Students and parents please take a moment to welcome our new teacher, Mrs. Marta Loyola. She will be here every Tuesday morning and all day on Fridays.

School Principal
Doug Dunlop

OFFICE NOTES/REMINDERS

Wednesday Envelope Information

We recently sent home a calendar regarding the dates when the Wednesday envelopes will be sent home. Please remember to submit any information you would like in the packet to the school office by noon the Monday prior to the Wednesday the envelopes are scheduled to go home. If you do not get the information in by that time we will **not** be able to get it into the Wednesday packet. Please send us the information via the e-mail (prefer this method, to copy and paste to newsletter), send a flyer or call 262-367-2040.

Activity Fee

If you have not yet submitted your fee, please do so at this time.

Medications

Parents when you are sending medication to school for your children you need to have the medication sent to the school office. Please make sure all medications are labeled and it has your child's name on it. This is very important. Thanks for all your help and understanding.

E-mail

St. Charles School has a secure email list which is used for special announcements and reminders. If you did not receive an email reminder regarding the Parent Information Night or would just like to verify that your email address is on the list, please send an email to Teri Sippel Schmidt at teri_sippel@yahoo.com or call 262.966.7210. You may add as many email addresses as you like to this list and it is a great way to distribute timely information. Thanks, Teri

NEWS, ANNOUNCEMENTS & UPCOMING EVENTS
