

Reduce Fundraisers for ALL
Tuition Credit for YOU
Profit for OUR School

WHY SCRIP?

It's simple...

1. Reduce Fundraisers for all

Home & School has a goal to dramatically **reduce** the number of fundraisers we have which will in turn reduce the number of volunteer hours we require. When you take advantage of SCRIP you help reduce the number of fundraisers and make SCRIP our primary fundraiser. Plan ahead a little, don't use cash or credit to pay for household purchases you would normally make, use SCRIP.

2. Tuition Credit for you (or a friend)

Families who earn a minimum of \$125 in profit from SCRIP for St. Charles School receive **25%** of their entire profit in tuition credit for the following school year; once total profits to St. Charles from the SCRIP program exceed \$10,500. **Encourage** friends and family to sign up for the SCRIP program as your sponsor and their purchases will add to your total profits. (See reverse side for details.) Accrual of credit is effective July 2011.

3. Profit for our School

St. Charles School purchases **gift cards** for grocery stores, restaurants, gas stations and specialty retailers at a discount price and sells these cards at full face value. The discount SCS receives on SCRIP represents our **profit** - usually averaging about 5% of the card value. Profit ranges from 2% to 17% depending on retailers.

BUY SCRIP!
