

Scrip is fundraising while you **shop**

WHY SCRIP?

1. It's Easy!

*Instead of paying for essential, everyday expenses like food, gas, and clothing with cash or credit, you can pay with gift cards purchased ahead of time through the St. Charles School **SCRIP Program**.*

2. Tuition Credit for you (or a friend)

*All full time families must earn \$75 in Scrip profit and all part time families must earn \$40 in Scrip profit by May 31st or complete the Buy-out form. Families who earn a minimum of \$125 in profit from SCRIP for St. Charles School receive 25% of any additional profit earned as a tuition credit or cash for the following school year! **Encourage** friends and family to sign up for the SCRIP program as your sponsor and their purchases will add to your total profits. The Scrip fiscal year begins July 1.*

3. Profit for our School

Families purchase SCRIP gift cards at face value, while retailers sell the cards to St. Charles at a discount. The difference is the profit. Profit ranges from 2% to 17% depending on retailers.
