

Scrip is fundraising while you **shop**

WHY SCRIP?

1. It's Easy!

*Instead of paying for essential, everyday expenses like food, gas, and clothing with cash or credit, you can pay with gift cards purchased through the St. Charles School **SCRIP Program**.*

2. Reduced Fundraising

All full time school families are required to earn \$75 in Scrip profit and all 3k & 4K families earn \$40 in Scrip profit by May 31st or complete the Buy-out form. This easy fundraiser earns more than \$15,000 per year for our school, reducing the need for other smaller and more frequent fundraisers. Encourage friends and family to sign up for the SCRIP program as your sponsor and their purchases will add to your total profits. The Scrip fiscal year begins July 1.

3. Profit for our School

Families purchase SCRIP gift cards at face value, while retailers sell the cards to St. Charles at a discount. The difference is the profit for our School. Profit ranges from 2% to 17% depending on retailers.
