Phy. Ed. Note

We are currently finishing up our golf unit in Physical Education class. The first two rounds of the U.S. Open were delayed because of rain, but the tournament finished without any other major concerns. I am very impressed with how well all the students did with this unit.

Field Day is fast approaching, and everyone is getting very excited about the day. I am still looking for one more tricycle for a obstacle course relay. Let me know if you have an older one that we could use. Also, we will be doing a "Dress Up" event where the students have to use funny clothing to dress up one of the teammates. If you have any older clothing that you do not want, hats, scarfs, pants, dresses, jackets, etc. please send them to school with a note to give to Mr. Brown. The clothing should be old and something that you do not want back.

Chess Club

Last Meeting - 5/26 - 3:15 pm - 4:15 pm.
