VOLUNTEERS ARE STILL NEEDED!!! This is a Home & School fundraiser for our school. We would appreciate all your help. This is a big project, so any time you can give would be great. We would appreciate everyone giving a little time this weekend. This would be great volunteer hours for students (especially middle school and high school students who are required to have volunteer hours). If you have any questions, please contact Monica Gundrum.

**Phy Ed.**

I would like to thank everyone in the St. Charles community for making me feel so welcome the past several months. I enjoyed my time instructing the students in a wide range of activities, and found my experience here professionally and spiritually rewarding. My prayers and thoughts will be with the students and families this summer and many blessings on a successful 2010-2011 school year.
